KÍLA LIVE – US & Canada VIRTUAL TOUR
26th September 2020 – 7.30pm (wherever you are in the US or Canada!)
Online Registration Compulsory
Suggested donation of \$10 to cover costs

In January 2020, Kíla were one of the highlights at Folk Alliance in New Orleans and are making plans to tour the USA and Canada in 2021 & 2022.

Due to current Covid-19 restrictions, Kíla are bringing their unique live sound to specially selected US & Canadian festivals & venues through an exclusive online hour long concert that will be streamed on September 26th.

Kíla have collaborated with Danielle Devlin of <https://canismusic.com> to bring these festivals and venues together on September 26th 2020 for a unique KÍLA LIVE online concert.

Formed in Dublin, Ireland in 1988, Kíla's unique and ever evolving sound, while rooted in Irish tradition, is inspired by a myriad of musical influences worldwide. Kíla's 8 members stem from differing musical backgrounds, including Irish traditional, classical, folk and rock.

Kíla have played in over 35 countries and at notable festivals like the Montreux Jazz Festival, Edmonton Folk festival in Canada, WOMAD festivals in New Zealand, Spain and Australia, RWMF in Malaysia, Festival de Ortigueira in Spain, the Sziget Festival Hungary, the Electric Picnic in Ireland, Glastonbury, Cambridge Folk Festival and Boomtown in the UK and many many more.

Online registration is compulsory, however this concert will be free with a suggested donation of \$10 to www.paypal.me/kilarecords to cover the production costs. Online registration details for the concert will be released at 9am on Tuesday 8th September.

Supported by Culture Ireland.
