**Suggested donation:** All monies collected go 100% to the instructors. We are suggesting a donation of \$15 per class. That means you get the whole enchilada for \$60! If you can pay more, please help support our fantastic instructors! If you can't pay anything, please feel free to join us. Tim & Rosalind understand that covid-19 has caused a lot of economic stress this year. Their careers have suffered, too, so please support them as possible. Payments will likely be submitted via PayPal, but that detail is TBD.

**Videos** will be released on YouTube. Audio and pdf files will be available via a DropBox folder. We will need your email address in order to send you the links. Please submit your email and any questions to Jim at [SpanishPeaksPiping@gmail.com](mailto:SpanishPeaksPiping@gmail.com) Schedule details subject to change. We hope to have an additional surprise, or maybe two!
