

Spanish Peaks International Celtic Music Festival 2021 Sponsorship Options

Our sponsorship opportunities are amended for 2021, in part due to the difficulties with international travel, as well as uncertainties with bookings. That said, we are featuring numerous individual musicians with international reputations, and we do plan on holding at least one major concert. Therefore, we have below our amended 2021 sponsorship opportunities to better reflect our 2021 event.

\$5,000 – Sponsor a concert:

At the \$5,000 level you will be the exclusive sponsor for one of our concerts. You'll get your name in the program, a free ad in the program, two Full Festival passes, and two invitations to the pre-festival party, a gathering of the festival organization and musicians.

\$2,500 – Exclusive sponsor of an individual artist:

For \$2,500 you will be a sponsor for one of our stellar artists. You'll get your name in the program, a half price ad in the program, two Full Concert passes, and two invitations to the pre-festival party, where you'll be introduced to the artist you're sponsoring.

\$1,000 – Sponsor an individual artist:

For \$1,000 you will be a sponsor for one of our stellar artists. You'll get your name in the program, a half price ad in the program, one Full Concert pass, one single concert ticket, and two invitations to the pre-festival party, where you'll be introduced to the artist you're sponsoring.
